

The Canadian Chamber of Commerce is preparing a major economic report and conference that will focus upon the long-term and strategic actions that need to be taken to ensure Canada's future prosperity and global business leadership.

It is crucial that they understand what is happening in our region and what action members believe should be taken.

We are asking you, as a member of the Chamber, to participate in this short survey. Results of the national survey will be shared with the Red Deer Chamber.

The survey comprises 12 questions and be completed in 5-10 minutes.

The online survey is open now at <http://www.zoomerang.com/Survey/?p=WEB229C3LMMQT3>; it will close July 10th.

Thank you in advance for ensuring that there is a representative voice from Western Canada in this significant national survey.
