Polytechnic**

Continuing Education
and Corporate Training

Learning is a lifelong journey. Let us help **illuminate** your path!

Our **continuing and professional education courses and programs** are innovative, industry-relevant and connected to high-demand sectors that will help you start a new career, advance your skills or lead your organization with excellence. You can effectively advance your lifelong learning goals with flexible delivery options while balancing competing life and business priorities.

Leaders understand that continuous learning and adaptation pave the path to success. The ability to embrace new ideas and strategies is essential for growth in today's dynamic market. Together, we can explore innovative solutions, enhance your operational efficiency and stay ahead of industry trends. Every challenge is an opportunity for growth—let's turn those challenges into stepping stones to success.

While this isn't our complete course offering, we'd like to help you along that journey by offering all Red Deer Chamber of Commerce members a **10% discount** on the following targeted, self-paced courses and certificates when used by June 30, 2025. To redeem, add **Chamber10** once registered.
